

## How to Apply for Medicaid

-  Go to [www.compass.ga.gov](http://www.compass.ga.gov) to apply using a personal computer or computer at DFCS office.
-  Click on “Apply For Benefits” & complete application process.
-  After applying, you will be asked to provide four weeks of check stubs. Taking the pay stubs to the DFCS office speeds up the process.
-  You will get a letter in about a week asking for you to send any additional information.

## How to Reactivate Insurance

-  If your insurance is inactive, you will have 45 days to reactive your insurance while Georgia HOPE services are temporarily suspended. The process takes time, so start ASAP!
-  If you have Peachcare, you can contact them at 866.485.9248 or [www.peachcare.org](http://www.peachcare.org)
-  If you do not have Peachcare and your insurance is inactive, check [www.compass.ga.gov](http://www.compass.ga.gov) for updates. DFCS offices have computers for use.
-  If the website says pending, then the application is likely being reviewed. If the website says nothing, then this likely means that another application needs to be submitted. Follow the steps above to apply.
